

Feedback from Provinces for CRVS

- ❖ Which department from your province/area is mandated to take lead for CRVS at the provincial level- like MOPDR at National Level.
- ❖ What is the current status of vital statistics production, dissemination and use in your province? Is there a CRVS coordination mechanism?
- ❖ Any effort so far made for promoting synchronization of activities for CRVS for making this holistic than via piecemeal approach.
- ❖ Has the Provincial CRVS Steering Committee been notified? Has there been meetings of Provincial CRVS Steering Committees? What specific actions are so far taken at the Provincial/ Area level in this context ?
- ❖ Technical Support Unit for CRVS established October – 2017. For extending technical support for CRVS- Assessment, facilitate Strategic Planning. Overall Coordination, Synchronization, Capacity Building , Monitoring and resource mobilization etc.

Feedback from Provinces for CRVS

- ❖ Are nominations made for the National CRVS technical Sub-Groups/Thematic Areas. Has some similar subgroups exist at Provincial levels to discuss technical issues.eg
 - Legal framework and Resources for Civil Registration
 - Registration Practices, Coverage and Completeness
 - Birth or Death Certification and Cause of Death information
 - ICD Mortality Coding Practices
 - Data Security, Access, Use and Quality Checks.

- ❖ Please share some mentionable initiative or steps taken (at local or larger scale) for CRVS strengthening at your level as whole or in piecemeal (eg Promote Birth or death registration).

- ❖ What effective measures or suggestions could be made to improve the CRVS functioning?
