

GUIDELINES FOR REGISTRATION AND UPDATION OF THE PROJECTS ON WEBSITE

1. Open the Planning Ministry's website <https://www.pc.gov.pk/> in a browser.
2. Click on "PSDP+" Button as shown in the following Figure.

3. Click "Next" button after reading the instructions as shown in the following figure.

4. Please note that corresponding Ministry has to be registered on Planning Ministry's website, after which an ID will be generated. This generated ID will then be used for log in.

- a. For registration, click "Register Ministry" button as shown in the following figure.

- b. Enter Ministry's full name, no abbreviations. Click **register** button as shown in the following figure.

- c. The Website will generate the corresponding ID. Use this generated ID in order to log in
- d. Once you have the credentials, you have to click PSDP + on the main screen already described in point 1, give credentials to login and upload the data.
