### Macroeconomic Section

The economic outlook for September was formulated, which highlighted state of economic indicators during this month. Moreover, a report was generated to show adverse effects of floods on the agriculture of the affected areas, and the Gross Domestic Product. The report indicated that 0.2 per cent of the GDP was lost due to the last floods.

In connection with the preparation of the 11<sup>th</sup> Five Year Plan, a meeting was held to review the Plan. Comments and suggestions of the meeting have also been incorporated.

Minister for Planning, Development and Reform Prof Ahsan Iqbal gave presentation to Prime Minister Muhammad

Nawaz Sharif regarding performance of the PD&R. This Section also gave valuable contribution to the presentation about key economic indicators for the first quarter of 2014-15 along with identification of challenges and opportunities for achieving targets.

For a meeting of the Monetary and Fiscal Policies Coordination Board, the Section prepared material about 'Impact of Monetary Policy on Investment and Growth'.

Further, this Section outlined salient features of the Pakistan Vision 2025, which was to be presented to a Standing Committee of the Senate.

This Section provided comments on minutes of a meeting of the PAK-EU Joint Commission – held

on June 24 this year – related to 'Political and Economic Developments in Pakistan and the EU', and 'Trade & Investment'. The 10<sup>th</sup> World Islamic Economic Forum was held in Dubai on October 28-30, 2014. This Section prepared material about 'Pakistan's Economic Development, Challenges and Prospects' which was to be discussed and presented in the WIEF.

This Section has been assigned responsibility to provide secretariat services for the project 'Pakistan Vision 2025 – Management and Performance Delivery unit'. Short-listing and selection process of candidates for the Project was also assigned to this Section in October.

### Plan Coordination Section

Preparation of the Year Book 2013-14 of the Ministry for onward submission to the Cabinet Division is in process. This Section collected material from sections/wings concerned of the Ministry, and forwarded to the Committee Members for review and checking consistency of the content. For the purpose, several meetings – under the chairmanship of Member (Development Communication) Ayesha Javed

Eirabie – were arranged, and coordination was carried out with all the members. Moreover, received chapters were also forwarded to the Editor for consolidation of the draft Year Book.

Newsletter of the Planning Commission is consolidated by this Section. During October, material was collected from all sections/wings of the Ministry for the newsletter of September, consolidated and uploaded on the offi-

cial website after approval from the competent authority.

*Framework of the Institutional Cooperation Programme (FICP):* A progress review meeting on the FICP was arranged under the chairmanship of Chief Plan Coordination section/Project Director Dr Muhammad Afzal to review the ongoing projects, and new projects were also discussed.

## Public Investment Authorization Section

In October, three meetings of the Central Development Working Party (CDWP) and one meeting of the Executive Committee of the National Economic Council (ECNEC) were held.

The first meeting of the CDWP, held on October 3, under the chairmanship of Minister PD&R/Deputy Chairman Planning Commission Prof Ahsan Iqbal considered eleven projects. Out of these, nine schemes worth an estimated cost of Rs 9041.30 million were approved. One scheme was deferred, while another was withdrawn by its sponsors. The priority areas were higher education, governance and

health sector projects.

The second meeting was held on October 20 with Prof Ahsan Iqbal in the chair. The forum considered seven projects. Out of these, five schemes with an estimated cost of Rs 3464.317 million were approved. One scheme pertaining to the health sector was recommended to the ECNEC, while another was deferred. Health and infrastructure sector projects were given priority.

The third meeting, held on October 27 under the chairmanship of Prof Ahsan Iqbal, considered eight projects. Out of these, three projects to cost Rs 5.8 billion were approved, while four projects of an approxi-

mate worth Rs 124 billion were recommended to the ECNEC for approval due to cost competency, whereas one project was deferred. The T&C and Governance sectors were accorded priority.

The ECNEC met on October 2 and considered four projects worth approximately Rs 131.664 billion. Only one project, relating to the infrastructure sector, was approved. Position paper of a project regarding the health sector was considered for modification. Remaining two projects were deferred.

## Public Investment Programming Section

The first quarter review meetings with other ministries/divisions regarding the Public Sector Development Programme (PSDP)

2014-15 were held on October 27<sup>h</sup> and 29 with Prof Ahsan Iqbal in the chair. These meeting assessed financial and physical pro-
