Macroeconomic

The second meeting of ECO Permanent Steering Committee on Economic Research was held on the 7th November, 2012 in Baku, Azerbaijan. The meeting was hosted by the Institute for Scientific Research on Economic Reforms (ISRER) of Ministry of Economic Development, Republic of Azerbaijan.

The meeting was attended by the representatives of Afghanistan, Azerbaijan, Kazakhstan,

Kyrgyz Republic, Pakistan and Turkey. Chief - Macroeconomics Section, Planning & Development Division represented Pakistan in the meeting. Representatives of the member states made presentation to highlight the achievements of research institutions of respective countries, ongoing research activities and future research agenda.

The participants also stressed the need for exploring viable economic growth models that are

being currently used by world's various regions and to identify one that would meet the growth requirements of the ECO member economies. Moreover, the urgency to align the ECO with contemporary growth projections of the developing economies was shown.

ECO member states agreed to gear for the model of technological innovation and labor and capital productivity to achieve economic development in the region.

Money, Prices & Fiscal Policy

A brief on "Methodology of Price Collection and Computing Price Indices" was prepared for Deputy Chairman, Planning Commission and Secretary, Planning & Development Division. The material on Analysis of Regional Prices of Critical Con-

sumer Items was also prepared for the Cabinet meeting held on 14th November, 2012.

A meeting of Chief (Money, Prices and Fiscal Policy Section), Chief (Macroeconomics Section) and Chief (Industry & Commerce Section)

with the Board of Investment (BOI)'s experts was organised on 29th November 2012. The steps/reforms in the working of BOI to make it more effective organization for promoting investment and investment facilitator in the country were discussed in the meeting.

Governance

During the month of November, 2012, 06 local trainings and 10 foreign training opportunities have been received which were circulated to all officers/officials of P&D Division. Wherein, 10 local

and 11 foreign nominations have been received. Against these training opportunities, 10 nominations for local training and 29 nominations for the foreign training were forwarded to the agencies

concerned. Two meetings of the Committee on Foreign Training were convened whereas 07 officers attended the foreign training/seminar/workshop during the month.

Nutrition

A review workshop on proceeding of “Nutrition Policy Guidance Notes and Multi-sectoral Strategy Development” was organized as follow-up of the program implemented in Provinces. The workshop was held on 8th November, 2012. The Secretary, Planning and De-

velopment Division chaired the opening session.

The Secretary, Planning and Development Division also chaired the meeting of the World Bank on “Pre-appraisal Mission on Proposed Enhanced Nutrition for Mothers and Children Project”

on 27th November, 2012.

The report on the estimated cost of minimum food Basked for the month of October, 2012 was completed in the month of November, 2012. The report highlights national, provincial and regional estimates and comparisons.

National Fertilizer Development Centre

The 79th meeting of Technical Committee on Fertilizer and Allied Products of Pakistan Standards & Quality Control Authority (PSQCA) was held on 21st November, 2012 in Karachi on the issue pertaining to “Formulation of Standards for Bio-Organic Phosphate and Ammonium Sulphate (Fertilizer Grade – second revision)”. On the recommendation of NFDC, standard for Bio-Organic Phosphate was deferred due to incomplete requirements, while, the meeting

also agreed to lower the level of arsenic contents from 0.025 to 0.012 per cent (half) for Ammonium Sulphate (fertilizer grade) because the presence of arsenic level beyond certain limits is injurious to human and environmental health.

Total nutrient offtake during October, 2012 was about 269 thousand tonnes compared to 397 thousand tonnes of October, 2011, represented a decrease of 32.1 per cent. Among the nutrients, nitrogen and phos-

phate offtake decreased by 44.3 and 0.9 per cent respectively, while potash offtake increased by 25.3 per cent.

Urea offtake during October, 2012 was 234 thousand tonnes, which decreased by 54.9 per cent, over October, 2011 (518 thousand tonnes). DAP offtake was about 184 thousand tonnes as compared to 204 thousand tonnes of October, 2011, showing a decrease of 9.5 per cent over same time frame of previous year.

Administration has made the nominations and 1st batch will be called in 2nd week of December, 2012.

Construction work of JACC building

Construction of JACC building is in progress and finishing works are underway. Security issues of Red Zone area on eve of Muharram have caused temporary disruption of work. However, efforts are in hand to get completion as early as

possible.

Appraisal and monitoring of IT, Telecom and SUPARCO Projects

In the PSDP 2012-13 there are 60 IT Sector projects which are dealt by JACC and some of them are of significant

importance. It was felt that no proper monitoring mechanism existed for monitoring of these projects. Director General, JACC requested Member I&M that monitoring reports of IT projects may be provided to JACC and representative of JACC may also be added for field monitoring of the IT projects.

In this regard, further co-ordination between Projects Wing and JACC is in progress. A team of IT professionals of JACC has been formed and a visit for monitoring of E-Office Replications Project, M/o Information Technology was conducted on 27th by monitoring team comprising Dr. Muhammad Afzal, Director General JACC, Dr. Fazl-i-Hakeem Khat-tak, Director General Social Sector and Mr. Fahimullah Khan, Monitoring Officer Projects Wing.

CDWP meeting

A meeting of CDWP was held on 22nd November, 2012 in which a project of M/o IT "*E-Office Replication in all Division's of Federal Government (Revised)*" was approved at a cost of Rs 479.504 million.

PSDP Review meeting

A meeting on review of PSDP was held under the chairmanship of Secretary Planning & Development Division on 28th November, 2012 in which projects of SUPARCO and Central Directorate of National Savings (CDNS) were reviewed.

Meeting with World Bank Mission

A meeting was held in JACC dated 6th November, 2012 with World Bank Mission. In this meeting, matters related to overall IT Sector as well as on various initiatives of M/o IT such as Telecom Policy Review, E-Office Replication and Federal Government Data Centre Projects were discussed.

Visit of Deputy Chairman to PPMI Building

Dr. Nadeem ul Haque, Deputy Chairman Planning Commission visited the PPMI building on 29th November, 2012. With respect to provision of IT facilities at PPMI, Director General, JACC alongwith hardware expert was also present at the occasion.

Regularization of 24 project posts

The JACC remained in contact with Management Services Wing, Establishment Division for regularization of the case of 24 project posts. During the month, some queries were raised, which were replied either telephonically or through e-mail to avoid delay and hopefully the case would be disposed-off in coming month.

Coding Scheme of PSDP Projects

A meeting was held with Additional Secretary for review of applications software and Coding Scheme. The prototype of tracking of PC-I's Status was shown and feedback is being incorporated in the software.
